Fiscal Analysis

ASSUMPTIONS:

1. This bill has no fiscal impact on the State budget.
2. Local government will have added workload to process the notifications.
3. It is not possible at this time to determine the fiscal value of the impact on local government.
4. The Montana Highway Patrol anticipates a loss of road time for officers when they are notifying the parents of their contact with the juvenile, especially if the parents cannot be reached by phone.

EFFECT ON COUNTY OR OTHER LOCAL REVENUES OR EXPENDITURES:

This bill would not only have a direct cost to county and local government agencies, but would cause a shift in duties and prioritization of those duties. At this time it is not possible to place a fiscal value on the requirements in this bill.
